

# Bahtiyor Rahmonaliyev

## Front-end Developer

I learned Frontend Web Programming and now I'm involved in real projects, and I'm still learning and improving my knowledge of REACT. I also worked CRM systems. I have worked in real projects with websocket, restApi, no problem connecting with the back. I study what I study diligently and I do what I do with great interest. I certainly do finish what i started I try to overcome problems quickly and qualitatively. Most importantly, I can work well with the internet.
